Siorsan 2022-10 P

Denne gangen ble Siorsan litt lang, så den er delt opp i produkttyper

Spesialslippet november

Cognac Groperrin 2001 Fins Bois - Agriculture Biologique

This vintage Cognac comes from a small farm in the Fins Bois region called “La PetiteChapelle”, located near the village of Champmillon.

The two plots from which this Cognac originates are organic since 1990, and cultivated by a lady who had taken over from her father at the time and works on her own in the vines.

This Cognac aged in a small cellar, on beaten earth. The walls were half buried in the ground and the casks could not be taken out with the eau de vie inside as the door was sealed and blocked off. We had to enter the cellar through the window and pump the batch into a tank.

► *Straw colour. On the nose, notes of peach and apricot. On the palate, the freshness and spontaneous character of this Cognac is striking. The fruity notes are present, but prolonged by more complex aromas, like those of a dried flower bouquet. The finish amplifies these floral notes (daffodil, narcissus), quickly covered up with more intense notes of grapes and orange zest.*

“This high strength cognac is surprisingly subtle with fruity (peach, white grape, apricot, orange zest, almond) and spicy (nutmeg, vanilla, ginger) notes and has retained a lovely floral freshness (violet, narcissus). A cognac of a very high calibre!”

“An elixir to be lingered over, savoured like a fragrance”. La Revue des Vins de France, 2018. Gold Medal, Cognac Masters, London 2016.

Cognac Groperrin 1973 Petite Champagne

This vintage Cognac comes from a family of notaries who have lived in Cognac for generations. This Petite Champagne 1973 was part of the inheritance of the father, who left all his stocks to his wife and to his son, notary himself as well. The father had bought this batch in January 1974 from one of his clients, who was then the chairman of one of the biggest Cognac houses. This batch comes from the distillery and cellars of this Cognac house which is still famous today. Unfortunately, when he passed away, his son and wife weren't getting on with each other and the inheritance got stuck for several decades, until we offered a solution. It is a hugely "sentimental" Cognac which was placed under State control on 25th January 1974 in an ancient cellar, very humid, located on the bank of the river Charente, now home to the museum of Cognac.

► *Colour of old gold, almost amber. The nose is marked by gourmand notes of ripe plums, Mirabelle plums, spices (cardamom, turmeric, black pepper) and of exotic woods (warm cedar, sandalwood). Around all of this, a characteristic old Cognac rancio reveals itself. On the palate, again these gourmand fruity notes (ripe plums, prunes, cinnamon chocolate) and spicy notes (nutmeg, tobacco). For enlightened amateur, looking for the ultimate Cognac, cask strength. "(...) very elegant, fruity and heady (...) tremendously long on the palate".*

Whisky og bourbon

Wemyss

Fra Wemyss kommer flere nye og gamle single cask tappinger

Wemyss Loch Indaal Catch - Bowmore 1982

En skikkelig god gammel Bowmore. Fatet ga kun fra seg 165 flasker.

Den var blitt 31 år gammel da den ble tappet i 2014

Et par kasser dukket opp litt vekkjømt på lageret til Wemyss, og vi fikk tak i noen igjen i 2022.

Farge: Kobber

Aroma: En bukett med nyklipte vårblomster; hyasinter, påskeliljer, fioler og lavendel, bundet opp og dusjet med sjøsprøyt.

Smak: Gammeldagse parfymerte minner fra hvitfiol, smeltet sammen med Pears såpe, torv, lyng, litt appelsin, gir en voksaktig følelse på ganen. Minner om når du trekker inn sjøbrisen, helt ute på Bowmore Pier.

Ettersmak: Den søte konfektsmaken tar deg med på en lang mimretur.

Pris 7465, VMP [1819201](#), 70 cl, 46 %

Wemyss Flaming Feast

Skotsk whisky, Blended maltwhisky

Farge: Muted Gold

Aroma: The initial nose is sweet and candy like; foam shrimps and strawberry bonbons. Mineralic note emerges in the form of limestone and fresh seaside air. A mild and perfumed smoke is only hinted at like a distant beachside bonfire.

Smak: A complex battle between sweet and savoury with heather honey, cinder toffee and marshmallows. The savoury and maritime notes take form as rollmops or salted oat cakes and scallops cooked in butter with tarragon.

Ettersmak: Burnt wholemeal toast smeared in chunky peanut butter and a peppery spice.

North of Scotland 50 yo
Skotsk whisky, Single grain whisky

Første og eneste offisielle tapping fra det nedlagte North of Scotland Distillery. Modnet i 6 bourbon barrels i over 50 år

Farge: Mahogny

Aroma: Pekannøtter og vaniljekrem med aromaer av nektarin og bringebær. Klassiske notater av søtt korn - fløtekaramell, gylden sirup og bakt eple med et snev av møbelpolish og støvete kanel som gir et hint om alderen. Rikere noter av crème-karamell, blodappelsin og glaserte kirsebær bygger seg opp.

Smak: En tykk kremet munnfølelse som blir saftig etter andre gang du smaker. Smaker av vaniljesaus og tørt krydder - muskat og kanel - er munnvannende. Notater av estragon og oregano blandes med blodappelsin og ristede hasselnøtter.

Ettersmak: Valnøtt og ristede mandler med vaniljefudge forsvinner sakte, og fører deg videre til neste munnfull.

Kommentar: Vellagret sprit som dette er en sjelden og utrolig godbit. De klassiske søte notene som finnes i mange korn whiskyer har blitt modnet av tiden i godt treverk.

New World Whisky Distillery

Endelig en Starward-tapping på lager igjen 😊

Starward 5 ans Apera Single Cask Conquête
Australisk whisky, Single malt whisky

On both the nose and the palate, this version brings to mind a delicious sweet wine and is constantly refreshed by an outstanding fruity bitterness dominated by citrus fruit. This unified bittersweet tone reaches its peak in an extremely rich and beautifully mature finish. All of which is accompanied by superb floral and spicy sequences.

Farge: Topas

Aroma: Full-bodied, unctuous. The pleasantly chocolate first nose is also characterized by notes of polish (beeswax), apricot, orange, verbena and juniper. Allowed to breathe, iris butter provides a particularly concentrated and heady signature. Note a lovely bitterness that evokes citrus fruit and cocoa powder. Gradually the nose becomes increasingly medicinal and camphoric.

Smak: Svelte, invigorating. Mentholated and for its part characterized by a beautiful bitterness (cinchona), the attack wavers between noble spices (cardamom, curry), orange blossom, rose petal and cinnamon. The fruity register gradually takes the clear upper hand with orange, apple, Mirabelle plum and greengage plum. A wonderful herbal tea aftertaste (bay leaf, orange blossom liqueur).

Ettersmak: Long, rich. At the start of the finish, it is impossible to choose between peach tart, strawberry tart and Black Forest gateau, and the best option is to take them all. Outstanding. This is followed by a very pleasant herbaceous (tobacco), spicy (ginger, cinnamon) and tertiary (lichen, chestnut) sequence. The retro-nasal olfaction is softened by notes of latte and lavender honey. The empty glass is delicately woody, floral (iris) and chocolatey.

Isle of Raasay Signature Single Malt Skotsk whisky, Single malt whisky

To Isle of Raasay-whiskyer - røykt og urøykt - modnet separat i Chinkapin eik, Bordeaux ex-rødvins og ex-Rye Whisky-fat. Denne nøye utformede oppskriften samler destilleriets seks signaturfat, hver med sin egen karakteristiske stil og karakter, gift sammen for å produsere en signaturstil: lett røyk balansert med rike mørke fruktsmaker.

Smaksnotater fra Whisky Saga:

Nose: Oaky sweetness, vanilla, and malt. Wood smoke in the distance. With time lemon zest, lemon sorbet and lemon curd. In other words, I do detect some lemon here. Marzipan and white pepper. Mustard seeds.

Taste: Medium body. Sweet and creamy. Citrus and soft oaky spiciness. Peppery soot and wood smoke - but tempered.

Finish: Medium to short finish. Remains sweet, a bit heavy handed - oaky sweetness. Juicy marzipan. The peat feels a bit more aggressive towards the end - more peppery and dark.

Comment: Rather complex for a three year old. Definitely a distillery to follow.

Black Tot Master Blender's Reserve 2022
Rom, Mørk rom

Our 2021 edition of Master Blender's Reserve Caribbean Rum celebrates the 100th Anniversary of the last rum ration given to Australian Navy sailors when serving on British ships. We took some of last year's Black Tot 50th Anniversary Rum blend as our base, re-casking it into ex-sherry butts and barrels, to which we added layers of fruit-driven flavours using different styles of rum, aged between 9 and 24 years, from Guyana, Barbados, Trinidad, Jamaica and Australia, as well as incorporating some of the original British Royal Navy rum blend itself. We hope this rum brings people together, just as the original did 100 years ago. 'Master Blender's Reserve takes inspiration from the Royal Navy tradition of perpetual blending. For 2021, we have aimed to find a tropical citrus quality that we hope people will be able to share with friends and loved ones around the world.' - Oliver Chilton, Head Blender

Farge: Mahogany

Aroma: Melted chocolate nibs, toasted hazelnuts are offset against warm orange and cinnamon sticks with a background of mixed tropical juice and cassis. Blackcurrant and raspberry leaf start to come to the fore with time in the glass.

Smak: Initial flavours of milk chocolate and raisins are complimented with café latte and ripe banana. A touch of aniseed balances against a light hint of tropical fruit and a wonderful rich baked demerara sugar top to a crème caramel.

Ettersmak: Cinnamon and nutmeg spice along with chili and cocoa linger for an age.

Farge: Purple

Aroma: The tasty Crème de Cassis de Lannion, made from carefully selected blackcurrant berries, reveals its aromas in traditional kir (if mixed with white wine) or in a Breton kir, fresh and sparkling, if mixed with apple cider. Also astonishing as a topping or coulis for gourmet desserts.

Likør, Appelsinlikør

Å lage denne appelsinlikøren er en kompleks prosess. En blanding av sprit, inkludert cognac, naturlig bitter appelsinessens og sukker, danner basen som deretter tilsettes veldig gammel Armagnacs (årgang 1979 for denne første utgivelsen), veldig gammel fransk brandy og cognac. Den blir så modnet i minst tre år på gamle amerikanske Bourbon-tønner. På slutten av denne perioden blir den helt over i en liten tank hvor den blir maserert med burgunder solbærknopper for å ta denne unike likøren til et nytt nivå av eleganse. Flaskene får deretter hvile i flere måneder før de selges.

Farge: Naturlig ravfarge

Aroma: På nesene, en harmonisk fusjon av appelsin med gammel Cognac, Armagnac og Brandy. Solbærknoppene gir en særegen eleganse

Smak: Angrepet på ganen er mykt, søtt og komplekst uten det karakteristiske sticket av likører laget av nøytral alkohol.

Ettersmak: Finishen er gourmand med umiskjennelige myke treaktige toner. En bordlikør laget etter tradisjonen med å lage likør fra 1800-tallet.

Highland Nectar

Likør, Whiskylikør

A beautiful marriage of Scotch whisky with infusions of bitter orange, star anise, nutmeg, vanilla, ginger and cinnamon

Farge: Gylden

Aroma: Cinnamon-and-golde-syrup biscuits are followed nimbly by sliced lemon with hints of cloves. Vanilla pods and a jar of set honey are accompanied by a pinch of nutmeg. Eucalyptus leaves finally sidle in.

Smak: Boiled sweets, orange peel and syrup envelop the palate unfolding into herbaceous notes, ground allspice and candied ginger. A whisper of star anise and a drizzle of maple syrup are a satisfying ode to a baker's kitchen on an autumn day.

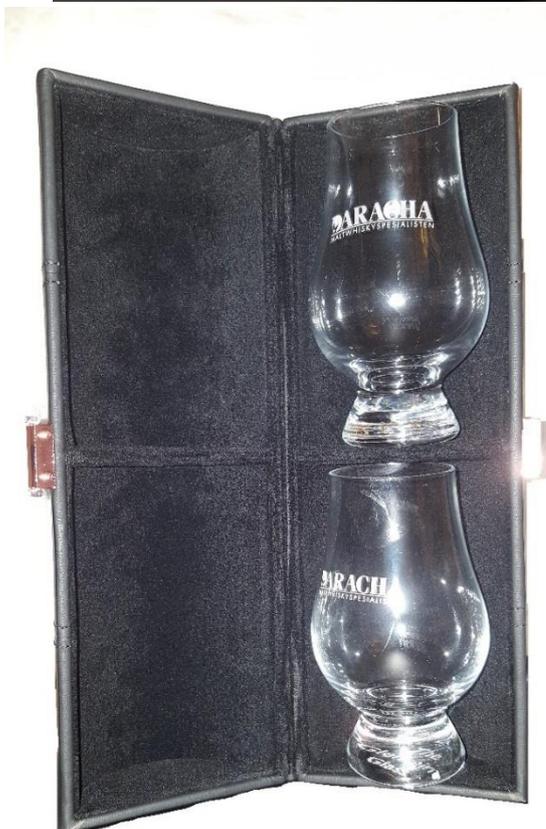

Ettersmak: Ground cinnamon and mulled chai cider leave a soothing impression on the palate, echoed by a smattering of clove spice as the dazzling finale.

Nettbutikk full i gavetips

Omsider har vi fått oss nettbutikk, <https://butikk.daracha.no>. Det er nok dårlig med whisky du kan handle i den, men glassene til å nyte de edle dråpene fra finner du der. Om ikke du fikk det som stod på ønskelisten til jul eller bursdag, og nå er jo noen begynte å tenke på at det blir visst jul i år også, så er det ennå noen greier igjen i butikken.

Nå finner du Robin Laing sine bøker og CD-er i nettbutikken, og vi har nylig inngått avtale med Darach i Inverness om å forhandle deres varer, laget av fatstaver i Norge. Foreløpig er det litt bestillingstid på disse, men noen av de har vi på lager.
